Accepting the quote: Shows us that we have understood your service needs & that you are ready to move onto the next stage of booking.

We will place your team on hold

YOUR TEAM:

Please note our artists are in high demand & therefore securing your services sooner than later is highly recommended. All our bookings are done first come first serve.

You will secure your services

CONFIRMING YOUR BOOKING:

In order to confirm your services you will be required to make a 25% Non-refundable/ Non-transferable deposit. This amount will be applied to your total invoice.

We will schedule your bridal trial

TRIALS:

We highly recommend all brides to book trials to ensure that you are 110% in love with your day of look. Trials will help us improve our services for you as well as ensure the day of services run smoothly.

We do have an opt out of trial option which occasionally is used in the case of out of Country brides or last minute services which we simply can not accommodate trials. If you are unable to do a bridal trial a premium day of service fee applies. This will provide you with an additional time slot for your wedding day to ensure your satisfaction & room for minor adjustments.

Your trial will take place at Priceless Beauty Studio located in Pickering Village.

Trials are approximately 1.5-2 hours per service and are conducted Sunday- Wednesdays.

We will review final details

CONSULT & CONTRACT:

A quick chat to review all details such as services, day of timing, numbers, location & any minor adjustments & notes will be made.

The contract will outline all day of details & pricing. This will be signed by both bride & Priceless Beauty. Making changes after the signed contract will be subject to Priceless Beauty discretion.

Your wedding morning

DAY OF:

Your lead artist will arrive early to set up the beauty stations.

The additional team if applicable will arrive shortly after to start services.

Each service is approximately 45-60 minutes long. We always account for a buffer window designed for the bride & any unexpected delays.

Your group will have a timeline in advance and be required to be there 30 minutes before their time slot. We ask they have pre-selected beauty inspirations for the artist as a reference.

All services will be completed with the option for a quick minor touch up if required prior to the departure of the team.
